Subpart 809.1—Responsible Prospective Contractors

809.104-2 Special standards.

Standards applicable to subsistence will be established based on preaward surveys prescribed by 809.106-1.

809.106-1 Conditions for preaward surveys.

(a) Preaward on-site evaluation will be made for contracts covering the products and services of bakeries, dairies, ice cream plants and laundry and dry cleaning activities. A committee under the direction of the contracting officer and composed of representatives of the medical service and/or using service chiefs or designees appointed by the facility director will inspect and evaluate the plant, personnel, equipment and processes of the prospective contractor. Prior to any inspection, the contracting officer will inquire whether the plant has been recently inspected and approved by another Department of Veterans Affairs facility or Federal agency. Approved inspection reports of another Department of Veterans Affairs facility will be accepted by Department of Veterans Affairs facilities and approved inspection reports of other Federal agencies may be accepted as satisfactory evidence that the facilities of the bidder meet the requirements of the Invitation for Bid, provided inspection was made not more than 6 months prior to the proposed contract period.

(b) Preaward on-site evaluation of dairy plants will not be made by the Department of Veterans Affairs when acceptable bids are received from suppliers of those dairy products designated as No. 1 in the Federal Specifications. Suppliers must have received, prior to opening of bids, a pasteurized milk rating of 90 percent or more for the type of product being supplied, on the basis of the U.S. Public Health Service milk ordinance and code. Such rating must be current (not over 2 years old), and will have been determined by certified State milk sanitation rating officer in the State of origin or by the Public Health Service and will continue at 90 percent or more during the period of the contract. Firms not so rated may only offer dairy products designated as No. 2 in the Federal Specifications. Award to such firms may be made only after completion of a preaward on-site evaluation conducted in accordance with paragraph (a) of this section.

(c) Prior to any open market purchase of fresh bakery products (such as
